

MINNEAPOLIS & ST. PAUL 2020 MINISTRY OVERVIEW

There are far too many people familiar with the brokenness and hopelessness of poverty. They feel stuck... like being in rush hour traffic with no exit ramps, because it's more than a lack of resources. Poverty is a lack of options.

Cru® Inner City is about creating options together that offer hope and lead to transformed lives.

Through partnerships with options creators in the community - churches, ministries, and individuals like you - we bring practical aid and the good news of Jesus to families and individuals in need.
