

In Chicago there are far too many people who are familiar with the brokenness and hopelessness of poverty. They're STUCK... like being in rush hour traffic with no exit ramps. Broken families that don't provide stability. Broken schools that fail to educate. Broken neighborhoods with more police cars than job openings.

The poor don't simply lack resources. The poor need OPTIONS that offer hope and transformation.

That's where Cru® Inner City comes in. That's where the CHURCH comes in. That's where YOU come in. TOGETHER, we have been creating options for the poor that meet real needs and connect people to Jesus Christ for over 40 years.
