

Student's Notes

- 1) The Responsibility Tool concerns my ability to _____ effectively in the midst of personal crisis.

Question: Am I like a house built on rock or on sand?

- 2) The key to the Responsibility Tool is to take _____ of my personal crisis by my _____.

Attitude determines approach.

Approach determines success or failure.

Question: Do I see a problem or a pony?

- 3) The chief principle of the Responsibility Tool is a **Three-Step Strategy**:

- 4) **Step one: I LOOK BACK** to figure out how I got into my crisis.

I ask myself the question - _____ am I in crisis?

Example: **Parable of the Prodigal Son**

- 5) **Step two: I GET OUT** in a responsible way.

I ask myself the question: What do I have to do to _____ my crisis?

Example: **King David's wrong approach**

- 6) **Step three: I TAKE NOTE** to learn the lesson of the crisis.

I ask myself the question: What did I learn about _____ from this crisis?

Example: **Jonah**
