The Growing Movement Series contains the Campus Ministry resources for accomplishing the Build or discipleship component of our mission. Every tool serves a specific function in the process of personal discipleship process.

What follows is a brief description of the resources in the Growing Movement Series listed in the basic order in which they would be used.

**THE GROWING MOVEMENT SERIES**

While there is no shortage of other resources we strongly urge our staff and student leaders to use the resources in of this Series and we stress it for several reasons:

1. These resources carry Campus Crusade’s core teaching and training—they distinctly express who and what we are as a ministry.

2. Each resource builds on top of the next, referencing and reinforcing one another. That’s the strength of a curriculum.

3. As our ministry is broad and international, use of the same materials insures that areas of discipleship are not overlooked and that we are all being trained and taught similar content. They also insure that we are speaking a common language on projects, overseas, and from campus to campus, which is the reason for Crusade’s high value on transferability of materials.

**LIFE CONCEPTS**

**Basic Follow-up for grounding a new or young believer in foundational truths.**

In the parable of the soils, Jesus made it clear that new believers are vulnerable to influences that can quickly undermine faith in Christ, which is why basic Follow-up is so critical. “Life Concepts” provide one-on-one discussions on five critical topics for new and growing believers. Each topic is based on one key Bible passage:

- **Assurance of Salvation** – 1 John 5:9-13
- **God’s love and forgiveness** – 1 John 1:5 -2:2
- **The filling of the Spirit** – 1 Corinthians 2:9-3:4
- **Walking in the Spirit** – Galatians 5:16-26
- **Growth Principles** – Acts 2:40-47

The Discussion Guides make it possible for anyone to easily communicate these truths with someone else, examining each topic using the same easy-to-follow template: sharing your Stories; sharing your Struggles, studying the Scripture, discussing the Sketch, and planning next Steps.

**SATISFIED ?**

**Sharing the Ministry of the Holy Spirit.**

The Christian life has been described as “the life of Christ, reproduced in the believer by faith through the power of the Holy Spirit.” Yet for many believers their experience of the Christian life is one of frustration,
guilt and defeat. For some it is due to ignorance, while others find themselves caught in patterns of gratifying their own selfish desires. Both groups need to be led into a genuine experience of Christ through the power of his Spirit.

The “Satisfied?” booklet communicates foundational truths about being filled and empowered with the Spirit. Using Jesus’ invitation to all who thirst and his promise of the Spirit (John 7) as the launching point, “Satisfied?” presents four key truths:

- The Divine Gift – the gift of the Spirit to each believer
- The Present Danger – depending on or gratifying self
- The Intimate Journey – walking in the Spirit
- The Empowering Presence – the filling of the Spirit

**FOUR SEVENS**

**Introduction to a Daily Quiet Time.**

There is nothing more critical to spiritual growth than a daily Quiet Time with the Lord, and therefore this process needs to be introduced and explained to a new or young believer as soon as possible. That’s the goal of this four-week devotional, to introduce them to a Quiet Time.

Introductory content explains how and why to have a Quiet time, how to study a passage, the ACTS model of prayer (Adoration, Confession, Thanksgiving and Supplication), why Bible translations differ, and other content foundational to a daily time with the Lord.

The 28 days of the devotional are spent going through the Gospel of Luke and focusing on the person of Jesus. At the same time the devotional is topically selective, touching on key teachings and topics fundamental to our discipleship. Each devotion provides insight into the passage, thoughtful reflection questions, and prayer structured on the template of ACTS, creating a pattern that should stick long after the four weeks are over.

**THE COMPASS**

**Personal Discipleship Curriculum.**

“The Compass” is a comprehensive discipleship curriculum containing over 40 discipleship lessons as well as other practical how to’s and insight on how disciple a new or young believer.

To create the curriculum we pulled together experienced ministry leaders like Roger Hershey, Sarah (Gale) Evers, Tim Henderson, and others to compile what they communicate as they disciple others.

The content is divided into three levels. Walk is the beginners level, Communicate is the intermediate level, and Multiply is the advanced level.

“The Compass” includes MP3’s of Roger Hershey on discipleship, and handouts such as time management schedules, as well as disciple tracking sheets. “The Compass” is also available on-line at CruPress Green.

**Discipleship Lessons Include:** Community, Prayer, Position in Christ, Assurance of Salvation, Sharing the Gospel, Filling of the Spirit, Confession, Obedience, Sanctification, Eternal Perspective, Justification by Faith, Spiritual Multiplication, How to Share the Ministry of the H.S., How to Conduct Follow-up, God’s Will, Scripture Memory, Time Management, Sharing Testimony.

**THIRSTY**

**Holy Spirit Devotional.**

There are a number of significant concepts (lordship, reliance, confession) touched on in the Satisfied? booklet that warrant further reflection and development. That’s what this two-week devotional on the Spirit Filled life accomplishes: further explanation, reflection, and application on what it means to walk in the Spirit.

The devotional contains three sections. The first focuses on the spiritual implications of the Spirit’s indwelling.

But our experience of the Spirit’s empowerment requires our participation. The Spirit-filled life is a lifestyle and section two examines the critical aspects of that lifestyle: confession, humility, reliance, submission, obedience, praise, thanksgiving, openness and expectancy.

Section two describes the way in which we are empowered, but empowered to do what? That is the study of the final section: how the Spirit overflows from our lives in witness, holiness, love and service.

**Section One: Indwelt by The Spirit. Presence, Security, Empowerment**

**Section Two: Influence of the Spirit. Walking, Reliance, Leading, Atmosphere, Expectancy, Humility**
Section Three: Overflow of the Spirit. Witness, Holiness, Service
