PRAYER TO BELIEVE

God, I believe you exist and made me to know you personally and enjoy you forever. I believe Jesus died to forgive all the sinful things I've done. I want to know you and have you become the most important, intimate, and satisfying part of my life. Help me understand the Bible and follow your plan for my life. Thank you for hearing and answering my prayer.

SEEKER'S PRAYER

God, if it's possible to have a relationship with you, then I want to know you. Help me see what may be keeping me from knowing you personally and experiencing your love. I don't want to just believe what other people say is true about you, but I want to know who you really are and follow your plan for my life.
