Rock And Refuge | TURNING TO GOD IN TIMES OF DISTRESS

What Do I Need to Know About the Passage?

1 Samuel 21:1-22:23

In 1 Samuel 21-22, Saul is on a full-fledged pursuit of David. The scene for this study looks like something from Mission Impossible. God gives David a mission, which he chooses to accept, that is full of dangerous twists, turns, and escapes that Harry Houdini would be jealous of. The only thing missing is a sweet car chase with explosions. Chapter 21 begins with David going to a city called Nob. David first finds the priest and asks him for bread to eat and a sword to carry. David's next stop is Gath (Goliath's hometown). Here, David pretends to be a crazy-man so he isn't killed by Achish the king. Finally, David makes a stop at Adullam, where he puts his family for safe keeping. Our narrative ends with Saul killing the priests at Nob because they conspire against him by helping David.

This study shows David's dependence on God in the face of adversity and God's protection of David. God has promised to make David the next king of Israel and God never backs down from His promises. As you prepare for the lesson, pray that the group will see God's work behind the scenes to preserve David and how David desperately clings to the Lord even when the circumstances seem overwhelming.

David Flees from Saul (21:1-22:5)

After David and Jonathan confirm their covenant in chapter 20, David moves on to Nob to meet Ahimelech the priest. To maintain confidentiality, he tells Ahimelech that he is on a secret mission from the king. David is alone and must act quickly because he knows that Saul is hot on his trail. David wants something to eat and all the priest has is the holy bread from the temple (v. 6), so he gives it to David. David also wants a weapon. The only weapon was the massive, powerful sword of Goliath. “There is none like that; give it to me,” David said (v. 9). This exchange seems to go well, but after it's too late, David realizes that a servant of Saul named Doeg is in the temple. He overhears everything and, in 22:9, he tells Saul what happened. Help the group understand and discuss that though things seem to keep getting worse for David, God is orchestrating every event. God uses suffering and persecution for many reasons, including the growth of David's faith (see Rom. 5:3-5; James 1:2-3).

David then goes to Gath, Goliath's old stomping grounds, and runs into king Achish. David’s reputation is well known in Gath as the one who has “struck down...his ten thousands” (v. 11). In order not to be killed, David pretends to be insane, drooling on his beard and scratching the doors and gates.

What’s the Big Idea?

During great tribulation for David – as he is pursued by Saul – God continually cares for him. In the same way, we can look to Jesus during times of distress in our lives, trusting that He will be a great shield and refuge.

What’s the Problem?

We forget that God is the only Almighty and when hard times come, we run to other things for protection.

Continued >>
He probably looked very foolish (and crazy, of course) but his life is spared. In fact, King Achish says in verse 15 that he already has enough crazy men living in his house; he doesn’t need one more. Immediately after escaping Gath, David went to the cave of Adullam. His father and brothers and other men who were in distress came to him there – about 400 men! David pleads with the king of Moab to let his family stay there while he flees Saul. Notice that even in the face of death, David cares for others. He is seeking to take care of his mom and dad and friends who are hurting. Verse 2 of chapter 22 says, “He became captain over them.” What a beautiful foreshadowing of Christ! When we were lonely and afflicted, Christ became our captain by saving us. Hebrews 2:10 says, “For it was fitting that [God]...in bringing many sons to glory, should make the founder of their salvation perfect through suffering.” The Greek word for founder literally means leader (the KJV uses the word “captain”). Notice the similarity between David and Jesus. Both lived in great turmoil, yet both brought people to safety. And we know that Christ’s work is far greater than David’s, for Christ has brought us to eternal glory through His perfect life, death, and resurrection.

Saul Kills the Priests at Nob (22:6-23)
Once Saul finds out that David has been discovered, he throws a pity party for himself. “No one discloses to me when my son makes a covenant with the son of Jesse. None of you is sorry for me or discloses to me that my son has stirred up my servant against me” (v. 8). Don’t forget that pride is often expressed in extreme self-pity. After Saul stops whining, Doeg speaks up about what went down at the temple. He tells Saul that Ahimelech provided David with food and a sword. Out of jealousy and rage, Saul commands his servants to kill Ahimelech and the other priests of Nob. None of them obeyed. Saul then told Doeg to do his dirty work and Doeg killed 85 priests that day. How shameful that a king of God’s chosen people would commit such a dastardly deed. Fortunately, one of Ahimelech’s sons escaped and found David. In the last verse of our passage, we see David’s faith in God stronger than ever: “Stay with me; do not be afraid...With me you shall be in safekeeping” (v. 23).

Conclusion
Here again we see the same theme of David’s resolute trust that God will deliver him. It has been said that the safest place to be is wherever God has you. David not only knew that truth, he experienced it. Help your group come to the great pleasure of trusting in God in dim situations. Pray that you and your group would experience the Lord as a rock and refuge and that your hearts would fully cling to Jesus, the powerful captain of your salvation.
