

The Finishers – Ch. 15 Discussion Guide

Fuel the Fire

1. Are there lenses that you are using or know you have about the way you perceive God? How has studying the Bible helped you have a more full/accurate picture of who God is?
2. Talk about the difference between your “position” and “condition” in Christ and how this chapter helped you to understand both more fully.
3. How does the process of sanctification encourage you?
4. Look at the three things Roger Hershey writes about that can hinder our ability to serve out of grace: Inadequacy, Pride, and Shame? Which most often hinders you in serving the Lord? How does this chapter help you?
5. Take some time to list both your strengths and weaknesses and then thank the Lord for both.
