

Cru Social

January 2022

Hi all,

I hope your year has gone well. In the spirit of the new year, the structure of Cru Social will be changing. This email will now feature templates made by local social media managers like yourself. There will be a \$10 Amazon gift (of your choosing) for those who submitted designs featured in the email. In doing this, we hope it will give you a place to showcase your creativity and reward you for your work!

You may be reading this and still have questions like, "How do I submit my designs to be included?", "What will the rewarding process look like?" or "Won't this cause me to do more work?" You can find all these questions answered in [this short explanation guide](#).

It always has and will continue to focus on making running a social platform more effortless for you. Therefore, I am open to any feedback or ideas to make getting templates easier. If you have any questions or suggestions I would love to hear from you!

Thank you all for your hard work and I am excited to continue supporting and elevating everything you're doing!
