March 2022

Help shape this years' summer training

It's that time of year. Students are starting to get their acceptance letters, and Instagram pages for the c/o 2026 pages are popping up left and right. You may be wondering, how are we going to engage students this year?

The Promotions and Marketing team is coming back with our 2nd Find More Freshman Training series, and we'd like your input. Please **fill out [this form](#) to let me know what you'd like to see in this year's training.**

Thank you to all that participated last year. We are excited to see what God is going to do this year!
