By Doug Pollock

99 wondering questions

Many times we are never more than a few wondering questions away from an in-depth spiritual conversation.

With the right attitude and atmosphere, any of the following 99 questions can be powerful tools. Listening leads to wondering, and wondering provides more opportunities to listen. As you grow in your ability to harmoniously balance God's teeter-totter, spiritual conversations will flow more naturally in your day-to-day life.
